DUMMER LOSES HOCKEY OPENER

ST. JOHN'S PREP 4
DUMMER ACADEMY 0

The fast St. John's Preparatory School hockey team defeated the Dummer sextet in the opening game of the season. The Dummer team was very inexperienced having only two veterans from last year's fast team. The rest of the team was "green," none of the players having ever played before. The team lined up: Terhune and MacLeod, wings; Edson, center; Forsberg and Bowman, defense, and Osgood goal-guard. The ice was very poor and the playing was consequently slow. Dummer tried hard but the more experienced team won out. Stradel and O'Day were the outstanding St. John's players while good work by Terhune and Forsberg prevented our opponents from making a larger score.

MANNING HIGH 6
DUMMER ACADEMY 0

Dummer Academy hockey sextet lost its second game Jan. 18 to Manning High of Ipswich, 6 to 0. The Academy six lacked team play and experience. The Manning High forwards were very fleet. The Dummer team had had little or no practice on hard ice, owing to the open winter; so the players were at a decided disadvantage on the hard surface. Gould, Ewing and Dunham starred for the victors while Captain Terhune, Forsberg and Bowman broke up many plays of the winners.

DUMMER BASKETBALL

DUMMER ACADEMY 23
IMMANUEL BOYS' CLUB 21

The Immanuel Boys' Club quintet from Beverly opened the winter sport season at Dummer on the evening of December 19th. The Beverly lads brought a stronger team than was the case a year ago and gave the Academy five a good test. Dummer was able to nose out by 23 to 21. The Dummer team minus Capt. Hinds and other regulars put up a stiff fight. Dummer led 15 to 8 at the end of the half. Immanuel fought hard and reduced the score at the end of the game to a two point margin. Whalen, Watkins and MacLeod starred for the Academy. D. Butman and Robyishu played well for Immanuel.

The lineup:

HAVERHILL BOYS' CLUB 38
DUMMER ACADEMY 11

The fast Haverhill Boys' Club took the Dummer five in to camp to the tune of 38 to 11. The team rated as one of the best fives in the county won rather easily from the inexperienced Academy boys. One of the features of the game was the return of Captain Hinds to eligibility. Dummer's defense and shooting was very poor due probably to the long layoff. At the end of the half Haverhill led 12 to 3. In the third period Dummer braced and the score was 20 to 9. Dummer tired in the last quarter and Haverhill scored 18 more points.

The line-up:

LAWRENCE ACADEMY 21
DUMMER ACADEMY 8

Dummer dropped her first real game to Lawrence Academy at Groton on January 19th. The score was 21 to 8. It was the first away from home game and the floor and baskets were strange. A low ceiling also handicapped the Academy five. On the home floor there are no offside lines so the team was not used to playing with them. Despite the lack of baskets the team showed up better than in any of the previous games. The passing and defense of the Academy five was a big improvement over the previous showings. However Lawrence had a good team and deserved to win. The team plays here February 2nd and we hope to turn the tables. After the game we were given light refreshments and spent a pleasant half hour with the students and Dr. Bridges. Then they sent us away with a long cheer which we returned with zest.

The line-up:

Score, Lawrence 21, Dummer 8. Goals from floor, Hedstrom 4, Hubbard 3, Ellis 3, Hinds 3. Goals from fouls, Hubbard, Hinds, MacLeod. Referee, Erickson. Scorers, Fowle, Mackey. Time 4 eight minute periods.

DUMMER SECOND TEAM 21
WEST NEWBURY HIGH 12

Saturday evening January 19th the Dummer Second basketball team opened their season by defeating the West Newbury High School team in a fast and clean game. Ruiz, Kuki and Martinez did the best work for Dummer, while Shute and Meader were the outstanding players for the visitors.

DUMMER ACADEMY 34
MANCHESTER HIGH 17

A rejuvenated Dummer basketball team appeared in the Lang Gymnasium, January 22nd, and defeated Manchester High School 34 to 17. Coach Reggan started the second team at the opening of the contest. They played the first period, holding Manchester 4 to 1. Poor shooting of the forwards was the outstanding weakness of the second team. The backs, Martinez and Ruiz put up a rattling defensive game and kept the opponent forwards from scoring. The regulars went in the second period and played their best game this season. Score at the end of the half 18 to 8. The second team was back again for a part of the third period and while they were in their opponents failed to score. Kuki scoring four points from the floor made the score 22 to 8. The regulars went in at this point and finished the game. Capt. Hinds, Whalen and Gardiner played best for the Academy, Cameron doing the honors for Manchester.

The line-up:

EDITORIAL

Have the minor winter sport teams your full support? NO. This may be startling but it is the truth, they have not. The basketball and hockey teams are losing, therefore they get little or no support. The school fails them when they need its support the most. Preaching never does much good but once in a while it is needed. What made the football season a success? Who won the Allen game? The student body's support is the answer. Its cheering put invincible fight into the players. Did you ever notice in big college games how a team on the field weakens when its support from the side lines weakens? Watch it sometime. A team without support is lost. In a recent basketball game, two lusty cheers were given at the start. Luck broke badly for us at first, but the players were given no encouragement. The cheer leader forgot that a game was going on and the chicken hearted gave up hope, a few tried to help out but their attempts were weak and soon given up. In the third period, Dummer scored twice in quick succession. Instantly the gym was in an uproar with shouts of encouragement. Then one player missed at easy shot and the gym became as quiet as a morgue. It was much the same at a recent hockey game. Even more recently, both the hockey and basketball teams have gone away to games without a single cheer as a sendoff. It never happened last year. Wake up STUDENT BODY. If you want winning teams get out and give them some

support. It helps a lot. If the cheer leaders are so dumb as not to know when to give a cheer let some one else lead one. We hope that School Spirit is not too far gone to be revived. Of course there are a few weak hearted whome one must always make allowance for, but the majority of the school is not in their class. You have school spirit! Let us see you show it!

The past few weeks have not been especially successful ones in Dummer athletic annals. This fact will probably dawn upon the reader as he peruses the accounts of Basketball and Hockey defeats.

There may even be weeping and wailing and gnashing of teeth on the part of some of our big brothers at the lack of victory's mark. However, these defeats do not make the same impression upon us here at school. We have witnessed the struggles where our teams were beaten, and while the results have not pleased us as much as they might, we have been conscious that the team was giving a good fight on almost every occasion. All the world loves a game fighter and the fighting spirit of old Dummer has flashed out again and again in these contests. So when the Archon makes its appearance in another fortnight or so, I am sure you Alumni and friends may have the pleasure of reading a long string of victories in every department and you may know that the fighting spirit, which has characterized Dummer teams in fair weather and foul, has again crashed through.

FOOTBALL DANCE A SUCCESS

A very successful Football Dance was held in the Lang Gymnasium on December 16th. The hall was cleverly decorated with streamers, banners, and other bright decorations; but of course our fair partners were all that was needed to make a very enjoyable evening. The music was furnished by Ted Wright's "Philharmonic Orchestra." Light refreshments were served during the intermission much to the delight of the small boys. A number of the Alumni were present and showed their interest by once again "tripping the light fantastic." Mrs. Ingham, Mrs. Farrell, and Mrs. Faust were the patronesses. Ferdinand and Hinds were the committee in charge.

ALUMNI NOTES

Allen Smith, '19, has taken unto himself a wife. He is working in New York.

Winton Bee is now at Tufts College. Huntington Chao, another of our Chinese representatives, is at the University of Dubuque.

Gilbert Smith, '21, is one of the editors of the St. Stephen paper.

Mr. Paul G. DeRosay, former teacher and member of the class of '17 at Dummer, has started a school in Paris for American boys.

The engagement of Richard Tyler, '18, and Miss Virginia Butterworth, has recently been announced.

Wells Brock, '23, has been admitted to Phi Delta Theta at the University of Vermont.

Elbert Dalton, '20, has a position in the Mohawk Bank of Schenectady.

E. Gerrard Spencer and Chauncy Parsons, former Dummerites, are at Peddie Institute. Spencer is a member of the gym team; while "Clattering Clancy" was a substitute on the football team.

It is interesting to note that a descendant of our founder, Governor Dummer, has recently come into touch with the school. Dr. Ingham received a letter from a Mr. T. Rossiter-Dummer from far away Natal requesting information about his noble ancestor. T. N. I. '24.

HON. JOSEPH S. HOWE

Hon. Joseph S. Howe, one of the oldest former students of Dummer Academy, died the past year at his home in Methuen. He was 90 years old and had been prominent in town affairs for a long period of years, holding the offices of selectman, town clerk, moderator, treasurer, collector of taxes, town engineer, and served in the state legislature as representative and senator. There was hardly a town office to which he had not been elected by the electorate of Methuen where he was born at the Howe homestead, Oct. 12, 1822.

He attended Dummer about the year 1850, transferring from Phillips Andover Academy. He graduated in 1852. After graduation from Dartmouth, Mr. Howe taught school in several places including Danvers, Gloucester and Pelham, N. H. In 1859 he was elected to the Methuen school board, serving for many years. For more than 40 years he was an outstanding man in the public life of his native town and served in some capacity nearly a half century.

For more than 20 years he was a trustee of the Nevins Memorial Library and also on the board having charge of the Nevins Home for Aged People. He was president of the Methuen Historical Society, a member of the Masons and other organizations. Mr. Howe was one of the many men of whom Dummer may well be proud.

DUMMER CHRISTMAS TREE

True to the ancient and time-honored custom, the Dummer Christmas Tree entertainment came off a few days before the Christmas holidays. Christmas cheer and goodwill abounded.

No doubt you Alumni can remember the embarrassing moment when you had to stand up in front of the gang and unwrap the present given you by some kind friend, well aware of your weaknesses.

This year was the same except that a Committee composed of Messers. Ferdinand and Terhune, under the able and perspiring leadership of Mr. P. B. Skerrye, chose the gifts. After spending innumerable tiresome afternoons in Newburyport and

You naturally expect a shoe dealer to know quite a bit about shoes. He also knows a good bit about feet and their peculiarities—about leathers and shoe materials—and styles.

He knows his business. And why? Because he is a student of his business and as a student of his business he reads the Boot and Shoe Recorder.

Every great business development has been accompanied by a great business paper. Witness the shoe business.

nearly driving the clerks of the Woolworth Building of Newburyport crazy a performance which was followed by much knotting and rolling and wrapping of packages at Dummer, the tree was finally made ready and stood forth in all its laden glory. Contrary to his fears and expectations, Dr. Ingham did not receive any reminder that the morrow was the day when our vacation was scheduled to commence. Dummer's only society, the Smoking Club, was generously remembered. A rubber door-mat, an ash tray, and felt weather strips for keeping in the hot air were among the articles presented to the members of this noble institution.

Mr. "P. B." himself received a handsome watch to enable him to rise and shine at the correct and appointed time. All the presents had morals, very pointed morals in some cases, based upon the weaknesses or strong points of the individuals.

The whole affair was certainly a most successful one and the cheers given the committee clearly showed the appreciation of the hard work expended by them. P. C. '25.
